Miss Judith Shimansky
Manager, Station WSRN
Swarthmore College
Swarthmore, Pennsylvania

Dear Miss Shimansky:

We received your "Career Hour" affidavit today, along with the modification to the contract. We note that you returned only three copies of the modification, although we had asked for the return of four. Actually, it effects only your files, as that fourth copy was to be signed by Career Publications and then returned to you for attachment to your copy of the original, basic contract. If you desire, you may send it over to us now, for this purpose.

We would very much appreciate it if you could assign to someone the job of getting the "Career Hour" affidavit off to us on time. We dislike sending "Follow-ups", and I'm sure you dislike receiving them. As you know, the blanks are sent out on the first of every month, and are due on the 10th. A duplicate set, the "Follow-up", goes out on the 10th, after we check that morning's mail.

Yours truly,
